### "A LINEN SALE"

## ABOUT LINENS

Linens are Linens. That's what most people think. It may be true but there's a big difference in them. Most Linens wear well. True but some makes wear better. And what is more, some makes are better than others. James Shields makes the best. We don't mean to say that they are the only manufacturers of reliable Linens. But we do say, there's no better in the world. "THE OLD BEE HIVE" is known to be a "Linen House." Everybody knows it. It is a special department with us. We've sold Shields and Barnsley Linens for years. We buy of the importer. No middle profits. Our stock double any in Burlington. A look will convince you of this fact. Stock too big to mention many items. We mention a few and invite customers to look at them.

James Shields' Double Damask, grass bleached, 22 inches wide. None offered in the city as good less than \$1.25; our price \$1.00.
